***ABSTRACT in English (100-150 words, single spaced)***

The journal is published twice a year in a form of volume for each year and two issues in each year. The abstract should summarize the content of the paper. The abstract should not exceed 150 words and should not include equations or references. If you use abbreviations in the paper, e.g., IS, use the full meaning of the abbreviation in the abstract, e.g., Information Systems. The electronic readability of your submitted copy is of critical importance. This guide of instructions for authors is a template format for every submitted paper.
