

As a host institution with a quota of DAAD scholarships, you can support young African Master and PhD students, sharpen your research profile and benefit from financial stability. Furthermore, DAAD funding as a „mark of excellence“ will help you to enhance your reputation as an institution.

The DAAD is seeking for host institutions that offer study programmes with:

- excellent academic quality and expertise
- a strong linkage to the Sustainable Development Goals (SDG)
- a strong focus on employability and practical relevance
- a very good supervision ratio
- a convincing support concept – especially for African female and international students
- a professional marketing approach.
